

NEWSLETTER 7

We have been looking at growth during this final term and are successfully nurturing both tadpoles and caterpillars. The children have been very excited to see the tadpoles moving around the aquarium and the caterpillars creating their cocoons. By the end of term we should see the results of these fascinating life processes.

The installation of the new door and windows has been the most exciting event which has occurred since we opened. The access that this provides for children, parents and practitioners has been well worth the wait. The impact for all of us has been to provide free flow from the playground to hall and back again without barriers. Even reaching the toilet when caught short, has been noticeably more successful.

We have been so fortunate over the recent weeks to have this wonderful weather.

PLEASE REMEMBER YOUR CHILD NEEDS SUNSCREEN AND A HAT. SUNSCREEN SHOULD BE APPLIED BEFORE ARRIVING AT PRE SCHOOL AND A NAMED BOTTLE OF ADDITIONAL CREAM GIVEN TO YOUR KEY PERSON.

WE WILL APPLY SUN CREAM TO YOUR CHILD UNLESS YOU SPECIFICALLY ASK US NOT TO DO SO IN WRITING.

We do not wish your child to burn whilst playing outside.

RESOURCES

We are currently looking for a range of writing materials to include throughout the setting, such as old diaries, certificates, receipts, MOTS, calendars, leaflets, application forms, envelopes, small and large paper.

END of TERM

The final day of term is Wednesday 22nd July 2009.

We would like this day to be a fun day and we intend to visit Dunorlan Park for the morning. We would like to include a sponsored Toddle around the lake to raise funds for the Pre School. More on this over the next few days.
