PRE SCHOOL UNIFORM

All items will be red with the green and blue logo embroidered on the left hand side. The colour will be similar to that used for the Sun Hats that were available in 2008.

The items are machine washable and hard wearing. Repeat orders can be made at the end of each term.

Every effort has been made to keep the prices as low as possible. As stated, discretionary assistance can be given to purchase the items where there is genuine hardship.

By wearing a uniform each child will gain a sense of identity with their Pre School. It will offer an opportunity for clothes to be worn which are specifically for playing and learning. The items are comfortable and offer protection from the elements such as cold in the winter and the sun in the summer!! No decisions to be made in the mornings either! You could use tracksuit bottoms or shorts in navy to complete the outfit.
